

Data Sheet

iCAM-SB5W-ACE

4K Ai VideoBar

The iCAM-SB5W-ACE is a new-generation video soundbar designed for medium room video collaborations. The 4K camera features AI face tracking, auto zoom, and a wide 116° viewing angle to clearly capture all participants.

It comes with four built-in microphone arrays and four wireless extension microphones, providing voice pick-up up to 10 meters. The soundbar also includes a hi-fi true voice speaker and smart DSP for audio processing, offering acoustic echo cancellation, automatic noise suppression, and gain control.

✓ Features

- 4K ePTZ Camera
- Ai Auto Framing and Face Tracking Function
- AI Speaker Tracking
- High Quality Speaker
- 10 Meters Pickup Range

✓ Technical Specifications
