

**Data Sheet**

**iCAM-POD3-ACE**

Portable Speakerphone

The iCAM-POD3-ACE is a compact and portable conference microphone with a built-in 360° omnidirectional microphone and speaker, offering a voice pickup range of up to 3 meters. It is integrated with advanced 3A audio algorithms including echo cancellation, noise suppression, and automatic gain control to deliver clear and stable audio performance. Compatible with most mainstream video conferencing applications, iCAM-POD3-ACE is ideal for business meetings, online gaming, distance learning, and live streaming. With its plug-and-play design, iCAM-POD3-ACE provides a simple and convenient conferencing solution.
